Needs and objectives:

We've designed this product for people who require a secured or unsecured personal loan for a purchase that enhances sustainability and benefits the environment.

Financial situation:

We've designed this product for a person who can make the minimum repayments on the loan without putting them into undue financial stress. The person needs to consider and accept the obligation, and satisfy Regional Australia Bank's credit assessment criteria.

Relevant financial situation considerations include:

- the capacity to meet the ongoing minimum loan repayment for the term of the loan
- awareness that the interest rate, fees and charges can change even after the account opening (subject to notification periods)
- the possible impacts of a change in their own personal circumstance and their ability to meet the loan obligation

- off-site

Distribution conditions and restrictions:

The distribution of the product is subject to the following conditions and restrictions:

- Completed by appropriately authorised staff.
- All publicly facing material (including printed and online) includes clear information on the account's facilities, features, fees and directions to obtain the disclosure documents.

Why the distribution conditions and restrictions will make it more likely that the consumers who acquire the product are in the target market:

The distribution channels, conditions, and restrictions will make it more likely that the customer will clearly understand the product suitability at the time of acquisition, making it more likely to be in the target market.

These conditions include measures such as:

- Suitability and eligibility questions on application
- Regular analysis of review triggers and other suitability data
- Training and authorisation of representatives in our distribution network for this product
- Systems and processes that support our suitability and eligibility assessments

Why the product is likely to meet the requirements of the target market:

This product is likely to meet the objectives, needs and financial situation of the target market as it provides access to funds for a specific purpose, with a structure in place to repay to the loan over a fixed term, along with flexible options and features.
